ONE Collaborates with Community Chest Singapore to Conduct a DIY Ukulele Making Workshop for Children with Special Needs

As a part of the organisation's corporate social responsibility (CSR) initiatives, Ocean Network Express (ONE) has had the privilege to conduct a DIY Ukulele Making Workshop for children with special needs.

In collaboration with the Community Chest of Singapore (ComChest) and involving volunteers from ONE, ComChest and Care Corner Singapore, the workshop was held on 06 Oct 2018 at ONE's global headquarters which is located within the Marina One office towers in Singapore. Guided by specialised instructors from SG Art Class and supported by over 60 volunteers and staff (including their families), a total of 20 children from Care Corner participated in the fun-filled DIY Ukulele making event.

Despite contributing to social causes and enhancing the social well-being of all the attendees, the event has nevertheless enabled ONE to acknowledge the importance of delivering a greater good to our society at large.
